## RESUME PROFILE

A highly motivated and detail-oriented graduate with a strong passion for front-end
development. Eager to begin a career as a front-end developer to apply my
knowledge of HTML, CSS, and JavaScript to create engaging and user-friendly web
applications. Committed to continuously improving my skills and contributing to
innovative web projects.

## EDUCATION

### Master Of Computer Application                    08/2022 - Present

#### Institute Of Technology Science

• With a Master of Computer Application degree under my belt, I possess a solid
understanding of computer science principles and software engineering
methodologies. This knowledge serves as the foundation for my ability to design
and implement creative and streamlined software solutions.

### Bachelor Of Computer Application                    08/2019 - 07/2022

#### Institute Of Management Education

• Through my Bachelor of Computer Application degree, I have acquired a strong
grasp of programming fundamentals and software development principles. This
forms the foundation of my expertise in creating efficient and scalable software
solutions.

### 12th Standard                    2017 - 2018

#### Victoria Public Senior Secondary School (affiliated to CBSE)

### 10th Standard                    2015 - 2016

#### Pt. Yadram Secondary Public School (affiliated to CBSE)

## CERTIFICATION

◆ **AWS**

Achieved AWS Certified Developer - Associate certification, showcasing
proficiency in cloud-native application development, AWS services, and best
practices for scalable and secure cloud solutions.

◆ **PYTHON**

After successfully completing a one-week Bootcamp training at my college, I
earned a certification in Python programming, demonstrating my proficiency
in data manipulation.
